South Australia

General Reference

Edition 1 October 1990

Scale 1:1 500 000

1 centimetre represents 15 kilometres

Kilometres 10 0 50 100 150 200 Kilometres

10 0 50 100 Nautical Miles

10 0 50 100 Statute Miles

100 square kilometres or 10 000 hectares

Lambertis Conformal Conic Projection
Standard parallels 29° S and 35° S
Central meridian 135° E

Places

Localities: Karlas, Lorne

Towns: Halidon, Eudunda, Clare, Barrii

Cities: Whyalla

0 200 1 000 3 000 10 000 30 000 persons

Resident population of rural centres

South Australia 1 438 300 (March 1990 estimate)
Metropolitan Adelaide 917 000 (June 1986 census)

Pipalyatjara — Aboriginal community

Cadney Homestead — Remote locality with some public facilities

Anna Creek HS — Pastoral homestead

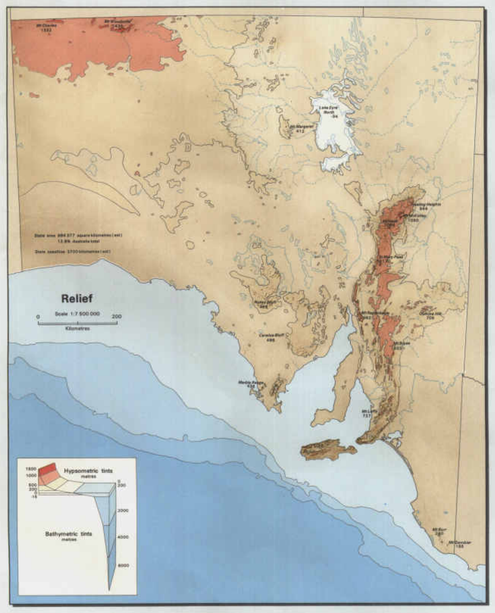
Nanny Pass — Selected site of historic significance

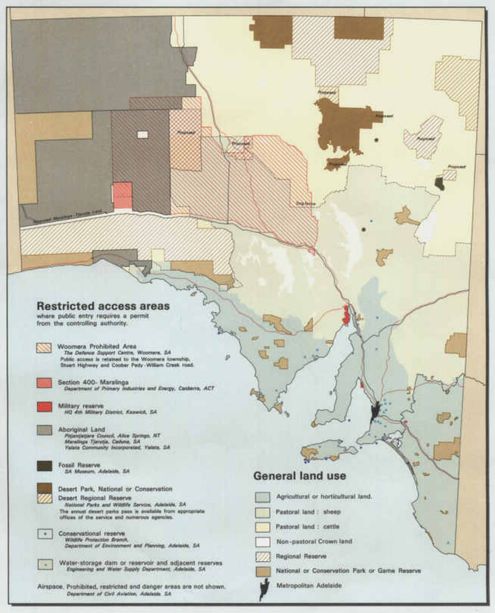
Chinaman Wall — Landmark or reference feature

Dawson RS — Railway station or siding

Areas of Aboriginal ownership are not shown on this map. Most Aboriginal Lands are Aboriginal Reserves or Conservation Reserves. Public entry is prohibited in some coastal areas and islands for conservational reasons. These areas are located at Point Labatt, Seal Bay, Cape du Couedic, Casuarina Islets, The Pages, West Island, Beatrice Islet, Troubridge Island and some islands in the Coorong Game Reserve.

Coastal limits of the state extend to the low water mark and include all adjacent islands, historic bays and gulfs as fixed by letters patent, 19 February 1836





Areas

- Agricultural land in general (the settled areas)
- Forest reserve or plantation
- Orchard or vineyard
- Park, nature or game reserve exceeding 1000 hectares
- Boundary of a restricted access area

Roads

The state road network is outlined only and road surface conditions are unclassified.
Refer to maps published by reliable motoring organisations and topographic maps for more detailed road information.

- Principal highway
- 36 Arterial road, national route marker
- Minor road
- Unformed road or track (some desert routes are ill-defined and may change with seasonal conditions)

Railways

- Interstate
- Local including private lines
- Historic route, line mostly dismantled

Surface water

Blue lines may not indicate the presence of water.

Watercourses outside the settled areas are mainly dry features with flow restricted to local stormwater runoff or floodwaters generated outside the state.
Stream flow in the settled areas is normally interrupted during dry seasons.
Permanent water flows include the River Murray, artesian bores, springs and some South East outlets.

- Permanent river
- Intermittent or ephemeral watercourses
- Land subject to occasional flooding
- Perennial lakes - freshwater, salt
- Lakes which are usually dry outside the settled areas or intermittent within, including claypans, saltpans and gypsum.
- Offshore rocks or reef

Abbreviations

HS	Homestead	Ck	Creek
OS	Outstation	Is	Island, Islands
RS	Railway Station	Mt	Mount
NP	National Park	Pt	Point
CP	Conservation Park	R	River
GR	Game Reserve	Ra	Range
WH	Waterhole	Res	Reservoir

Names

While most names on this map have been approved by the Geographic Names Board, several names of local useage have been included.
